The Board of Trustees and I appreciate the professionalism and dedication of all employees and we are very excited about the opportunities and challenges presented to us this year. The district's master calendar of events can be accessed at the following link: www.aadusd.k12.ca.us

Our annual district breakfast and orientation meeting for all employees will be held September 1st at Meadowlark Elementary School, 3015 W. All part time classified employees are welcome to attend orientation; however, they will not be compensated for their attendance. The district is pleased to host this event each year and look forward to meeting with staff members.
