(661) 269-5999 • (661) 269-0750 • Fax (661) 269-0849

Dear Parent/Guardian:

Whooping cough, also known as pertussis, continues to be widespread in California. To help stop its spread, all students in 7th through 12th grade are required by law to have proof of a whooping cough booster ('Tdap') shot or sign an exemption, in order to attend classes this year. Students will not be able to attend classes after October 12, 2011 without a shot record.

If _____ hasn't had a booster shot yet, please schedule an appointment immediately with your regular doctor. You may also take your child to these clinics:

Sam Dixon Family Health Center
27225 Camp Plenty Road #2
Santa Clarita, Ca 91351-2654
(661) 424-1220

Antelope Valley Health Center
335 E. Ave K6 Ste. B
Lancaster, Ca 93535
(661) 524-2005

If your child already received the booster shot, please give us a copy of the shot record by October 12, 2011. If you have any questions please call us at (661) 269-0310.

Thank you,

Stephanie Najjar
Principal

Jane Milner RN PHN
School Nurse
