

**HIGH DESERT BOOSTER CLUB
AFTER-SCHOOL ENRICHMENT PROGRAM
FALL QUARTER 2016 REGISTRATION PACKET**

High Desert School and the Boosters Club are pleased to offer Enrichment classes for your child. After school classes will begin in early October and go through December; please read the schedule carefully.

All registration will be on a first-come, first-served basis. Please turn in your completed registration form, with payment attached, to the High Desert main office as soon as conveniently possible.

Parents are responsible for providing funds for the classes and for arranging transportation for your child immediately following classes. Students will be dismissed from enrichment classes to a parent or designated alternate as noted on the registration form.

Classes are based on instructor availability as well as campus facility availability. We are always looking for a variety of qualified instructors. Please meet with Ms. David for more information on becoming an Enrichment provider.

If you have any questions, please send an email to AirSpecial@aol.com.
