## Principal's Message

At High Desert School, as a National School to Watch 2025, all scholars are valued and challenged to reach their academic, social, and physical potential while supported by a safe, positive circle of learning, and fortified to become responsible and productive citizens of the global community. We believe in our vision of "Engaging and Empowering Students to SOAR toward Excellence." High Desert School is a safe place where we recognize the importance of physical, social, emotional, and intellectual safety.

### Academic Excellence

High Desert is working diligently to provide opportunities for students to have the materials, time, and support to be successful. Scholarly behaviors and practices are taught, modeled, and reinforced as students progress through each school year. Some of the unique programs that enhance learning at High Desert include the Medal of Honor Character Development Program, Outdoor Science School, Science Olympiad, Dance Force, Spelling Bee, the 100-Mile Club, Spring Florida Trip, Walk Through the American Revolution, Arts Exploration Day and Career Day. Athletics opportunities are strong at High Desert with an expanding selection of after-school sports, such as volleyball, basketball, soccer, track and field, flag football, spirit squad, and cross country. High Desert School offers a diverse range of opportunities for students to explore their interests and develop new skills. Students benefit from HDSTV, our daily morning announcements, as well as participation in the Associated Student Body (ASB) and Yearbook programs. Seventh and eighth-grade students can choose from various STEAM-focused electives, including Video Production, App Creator, Digital Design, Career and Technical Education (CTE) Lab, Intro to Visual and Performing Arts (VAPA), Life Skills, Music Appreciation, ASB, and Yearbook. Fifth and sixth-grade students participate in an exploratory rotation that includes Science Exploration, Cursive Writing, Digital Design, Life Skills, Art History, Music, and Visual Arts, providing a well-rounded introduction to various disciplines.

High Desert is proud to be an Advancement Via Individual Determination (AVID) school. All students participate in an AVID Advisory focused on building college and career readiness and fostering organizational and study skills. Our after-school enrichment programs, such as Handbells and Science Olympiad, further enhance students' learning experiences. Our award-winning school and staff have earned numerous recognitions for academics, athletics, and music, including Schools to Watch, VFW Patriot's Pen, LA County Teacher of the Year Semi-Finalist and the Teacher of the Year Equitable Innovation Grant.

### Developmental Responsiveness

High Desert is unique in serving students in grades 5-8. Students in grades five and six are assigned to one multiple-subject teacher for the year and follow a flexible block schedule. This provides fifth graders with extra support while they transition to the new school and allows sixth graders an opportunity to develop the organizational skills they will need for the upper grades. Seventh and eighth-grade students are on a block schedule, including four core subjects, a PE period, and an elective period of their choice. The Acton-Agua Dulce School District takes pride in developing a community with students of strong character through the Medal of Honor (MOH) program. Students are taught six core values: courage, commitment, integrity, sacrifice, citizenship, and patriotism. In addition, an annual Career Day is a collaborative event in which students are able to make connections with the community and gain insight into real-world applications for what they are learning. This year, we enhanced our arts curriculum and STEAM program with the addition of an Arts Exploration Day, where students participated in hands-on activities including acrylic painting, watercolor, dance, photography, music production, and robotics. High Desert continues to be developmentally responsive to students, parents, and the community as a whole. Students are involved in many leadership opportunities and are able to share their voices by participating in the Associated Student Body elective (ASB), the School Site Council (SSC), the Positive Behavioral Interventions and Supports (PBIS) committee, and the Superintendent's Student Advisory Council.

### Social Equity

Being a small, rural school has pushed the entire staff to be more creative with schedules and work to create personalized, creative, social learning environments to increase grade-level proficiency in core content areas and to master state standards. We aim to teach the whole child and challenge our students to be healthy, creative, collaborative, problem solvers, and critical thinkers. All High Desert classrooms are 1:1 Chromebooks for students. Scholars are offered multiple ways to demonstrate their mastery of the curriculum through hands-on learning, demonstrations, discussions, essays, and assessments. Many of the High Desert staff live within the district boundaries and have had their own children go from kindergarten through high school knowing the teachers, support staff, administrators, and families very well. All staff on campus know the names of the scholars, get to know their interests, and are able to make connections beyond the classroom. Every student has an Advancement Via Individual Determination (AVID) advisory teacher who is their adult advocate on campus. The SOAR behavior matrix is posted throughout the school as reminders of how scholars can "Strive to do their best," "Own their actions," "Accept responsibility," and "Respect all."

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

Empowering Minds, Building Futures: Our Small District, Infinite Possibilities.

## District Vision Statement

The Acton-Agua Dulce Unified School District is committed to pursuing and maintaining educational excellence in order to achieve academic distinction at all campuses. We are committed to a vision of developing our youth into productive and creative individuals who can achieve their highest degree of potential and who will responsibly shape the future.

### **Organizational Structures and Processes**

High Desert School works diligently to implement the shared vision of collaboration, inspired leadership, and continuous improvement for students and staff members. Teachers, staff members, and students are encouraged to rethink and reimagine learning and academic support structures. High Desert teachers are at the forefront of participation in professional development. Timeliness, an engaging curriculum and a safe environment for scholars and staff afford teachers the opportunity to utilize the experiential learning cycle of conceptualizing, applying, acting, and reflecting to create engaging lessons. Acton-Agua Dulce Unified School District supports High Desert staff with mentors, induction programs, and professional development opportunities both on campus and in the broader community. High Desert hosts a roadshow for fourth graders to come to the campus, take a tour, meet student mentors, and participate in a lunch activity with fifth and sixth graders. The goal is to support students' transition from elementary school into middle school by building connections among students. The high school also has a roadshow for the eighth-grade students moving up to their campus to support our scholars with the transition to high school. Student and staff development and support provide the foundation for success at High Desert School.

High Desert School is a School to Watch supporting our scholars as they SOAR toward excellence and reach their full potential in an engaging, supportive learning environment. Go Hawks!

## Parental Involvement

High Desert School actively welcomes the participation of parents and community members, striving to encourage meaningful engagement through a variety of campus events and initiatives. Parent participation programs provide opportunities for families to support the school in promoting academic achievement for all students. Community engagement events have grown to include Family Game Night, Families and Staff vs. Students Athletic Competitions, STEAM Night, and an end-of-year Scholar Showcase, all of which celebrate collaboration and connectedness within our small rural community.

Parents play an essential role in school and district teams, offering valuable input on programs that support both academic and behavioral growth. Students also participate in numerous activities throughout the year designed to give back to the community, building strong connections and instilling a sense of civic responsibility.

Strong parent and community involvement remain one of High Desert School's greatest strengths. Parents are encouraged to actively participate in their children's educational journey through various activities, events, and access to information that strengthens the home-school partnership.

- Back-to-school night in fall
- Coffee with the Counselor Parent Sessions to support social-emotional development
- Pastries with the Principal Parent Meetings to assist parents with providing academic support for students
- Student Showcase Open House in spring
- Quarterly Medal of Honor Character Awards
- Semesterly Academic, Attendance, and Athletic Awards
- Online grading system
- Online homework website
- Weekly parent newsletters
- Student Study Team (SST) meetings
- Principal's phone call and email to parents
- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- Booster Club
- Principal's open-door policy
- All school family-activity events—Family Game Night and STEAM Night
- Parent-teacher conferences
- After-school enrichment opportunities
- Board of Trustees meetings

Meetings for the SSC, ELAC, and Booster Club, along with details about parent meetings and community events, are shared through multiple channels to ensure accessibility. These include postings on the school marquee, our school's website, the principal's phone calls and emails to parents, and announcements at both the District English Learner Advisory Committee (DELAC) and AADUSD School Board meetings. All parents are warmly encouraged to attend and actively participate.

For more information on becoming involved at the school, please contact Corrin Bailey, Booster Club President, at (661) 269-0310.

## School Mission Statement

At High Desert School, we encourage students to excel in all areas of the curriculum. Our school vision, "Engaging and Empowering Students to SOAR Toward Excellence", reflects the commitment of faculty to help students reach their goals. The mission of High Desert School is for every scholar to be valued and challenged to reach their academic, social, and physical potential while supported by a safe, positive circle of learning, and fortified to become a responsible and productive citizen of the global community. As a School to Watch, we are committed to:

- Academic Excellence
- Developmental Responsiveness
- Social Equity
- Organizational Structures and Processes

High Desert School was originally designated as a School to Watch in 2012 and has earned Re-designated four additional times in 2015, 2018 2022 and 2024. We have created a school that supports each scholar and allows them to reach their fullest potential.

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## Types of Services Funded

The district provides a number of supplemental programs and services to meet the diverse needs of all students:

- Project Lead the Way
- AVID Program
- Paxton Patterson
- AV College Dual Enrollment
- Makerspace Innovative Lab
- LA County Arts Ed Collective
- Career Connections
- CA Cadet Corps.
- SOAR Reading Program
- Special education services include speech and language, a resource program, special day class, adaptive physical education, and other services for identified students with special needs
- English language development for English learners
- Title I reading and writing-intensive instruction for identified students in grades 1-5
- Safe and Drug-Free Schools and Communities: State Grants

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in ELA and Mathematics for All Students

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

Mathematics	14%	14%	21%	22%	34%	35%

### CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Textbooks and Instructional Materials

High Desert School ensures that every student has access to high-quality textbooks that support the instruction of the Common Core State Standards. These materials are available for use in class and for students to take home. Teachers at High Desert School have agreed to adopt the full range of Common Core State Standards, along with additional skills they believe will further enhance their instructional program.

When selecting a new textbook series, a committee consisting of teachers, parents, and principals carefully reviews state-adopted programs. The committee then recommends the series they believe to be the highest quality and most suitable for the district's students. The process of selecting instructional materials ensures that the textbooks align with current educational standards and meet the needs of all learners.

Using high-quality, standards-aligned instructional materials is essential for providing students with a strong foundation in key concepts and skills. These resources help to ensure consistent, effective, and rigorous instruction across subjects, supporting the academic success of all students. By adopting materials that align with both state standards and the district's instructional goals, High Desert School ensures that students receive the best possible education, preparing them for future academic challenges.

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2024-25 School Year
Items Inspected	Repair Status	
<b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
<b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)	Good	
<b>Cleanliness:</b> Pest/vermin control, overall cleanliness	Good	
<b>Electrical:</b> Electrical systems	Good	
<b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains	Good	
<b>Safety:</b> Fire safety, emergency systems, hazardous materials	Good	
<b>Structural:</b> Structural condition, roofs	Good	
<b>External:</b> Windows/doors/gates/fences, playgrounds/school grounds	Good	
<b>Overall summary of facility conditions</b>	Good	
<b>Date of the most recent FIT report</b>	3/20/2024	

## School Facilities

High Desert School opened its doors in August 1989, designed to accommodate up to 700 students with 16 permanent classrooms, five portable classrooms, a library, a multipurpose room, and an administration building. Today, the school serves approximately 287 students in grades 5-8 and continues to provide a safe, clean, and engaging environment that supports learning and development.

The current campus features 16 permanent classrooms, including fully equipped science and CTE labs, as well as dedicated music and VAPA rooms. A newly added play area enhances student recreation with activities such as ping pong, foosball, gaga ball, pickleball, creative building, scooters, and tricycles. Students also benefit from modern physical education facilities, including hard courts and an athletic field, which provide opportunities for varied activities during PE classes, lunchtime, and after-school athletics.

The school maintains a welcoming and resourceful learning environment. The modern library is open to students and classes, while the school's commitment to technology is demonstrated by 1:1 Chromebook access for all students. Teachers implement schoolwide procedures in classrooms to minimize unsafe or inappropriate behavior while promoting positive character values through the Medal of Honor Character Development Program. The schoolwide Positive Behavioral Interventions and Supports (PBIS) program fosters a culture of safety and respect, creating an environment where students feel supported and valued. Evidence of positive student engagement is reflected in the school's increasing attendance rates and decreasing suspension rates, demonstrating the program's effectiveness in promoting a positive and inclusive school community.

Teachers and staff have access to large work areas between classrooms, a staff lounge with a copy machine and supplies, and a professional development room for ongoing learning. Both student and staff restrooms are cleaned and restocked daily, ensuring a hygienic environment. The campus is supported by one full-time custodian and one maintenance staff member, who work diligently to maintain clean facilities and ensure all systems function properly. Routine maintenance and repair work orders, as well as regular checks on classroom heating, cooling, and lighting, keep the campus operational and safe.

Safety remains a top priority at High Desert School. All exterior doors remain locked, except for the secure front entrance, which is equipped with a buzzer system for guest access. A campus security guard patrols the school grounds before, during, and after school, ensuring a visible and proactive presence to maintain campus safety. Additionally, staff members, custodial personnel, and maintenance teams remain vigilant, promptly addressing unusual situations or the presence of strangers on campus.

Students are encouraged to take responsibility for maintaining a clean campus, learning to pick up after themselves, and contributing to the school's collective effort to uphold a safe and orderly learning environment. These efforts reflect the pride that staff, students, and the community share in keeping High Desert School a place where everyone can thrive.

## School Safety

The safety and well-being of students at High Desert School are top priorities, supported by a comprehensive and organized approach to campus supervision. Supervision is provided before school, during the nutritional break, lunch, and after school to ensure a secure environment. Parents and guardians are welcome to visit the campus, with all visitors required to sign in at the school office and wear an official visitor badge while on campus. Visitors without a badge are directed to the office immediately, and students are instructed not to interact with individuals not wearing a badge. Supervision staff use handheld radios to maintain swift communication with the school office during emergencies, further enhancing campus safety. Teachers also enforce schoolwide safety procedures in their classrooms to minimize opportunities for unsafe behavior.

The school follows a detailed emergency plan outlined in its Emergency and Crisis Response Procedures Handbook. Monthly emergency drills are conducted, and students participate in an annual school bus evacuation drill. Each classroom is equipped with an emergency backpack containing essential supplies, and emergency equipment is strategically stored across the campus. Staff members also practice search-and-rescue techniques as part of the annual Great California Shakeout drill.

In addition to physical safety measures, High Desert School prioritizes social-emotional well-being through a dedicated mental health team. This team provides resources and support to students, fostering a safe and nurturing environment that promotes emotional development and resilience.

The Comprehensive School Safety Plan (CSSP) was reviewed, updated, and discussed with staff in October 2024, including input from parent and student representatives on the School Site Council (SSC). The plan will be presented to the Acton-Agua Dulce Unified School District (AADUSD) School Board for review and adoption in February 2025.

## Teacher Preparation and Placement

These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdf1ash201.asp>.

## Financial Data

The financial data displayed in this SARC is from the 2022-23 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2022-23 Fiscal Year
	AADUSD	Similar Sized District
Beginning teacher salary	\$52,546	\$50,757

Average middle school principal salary	\$138,976	\$132,508
Average high school principal salary	\$155,215	\$133,106
Superintendent salary	\$241,768	\$167,660
Teacher salaries: percentage of budget	24.94%	25.51%
Administrative salaries: percentage of budget	6.92%	5.93%

## Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2022-23 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
High Desert School	\$5,154	\$77,559
AADUSD	\$11,236	\$72,205
California	\$10,771	\$78,673
School and district: percentage difference	-54.1%	+7.4%
School and California: percentage difference	-52.1%	-1.4%

## School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2022-23 Fiscal Year	
Total expenditures per pupil	\$5,583
Expenditures per pupil from restricted sources	\$429
Expenditures per pupil from unrestricted sources	\$5,154
Annual average teacher salary	\$77,559

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2024.
