## **Valet**

Thank you for following orange cones to help direct traffic and safety. CHP continues to support. As always, student safety is our top priority. Please drive safely.

## **Twin Day – April 2<sup>nd</sup>**

Twin Day is coming on Tuesday, April 2<sup>nd</sup>. Students may dress as twins with a friend or two. How much alike can they look? During lunch, there will be an obstacle course for the twins to compete in together. We can't wait to see all of the look-alikes on Tuesday.

## **Penny Wars**

Congratulations to the 7<sup>th</sup> grade for winning Penny Wars! Over \$700 was raised during the event. Thank you parents for your support of this fun event.

## **Saturday School**

Saturday School was a success with 20 students who worked through various assignments with support from Mrs. Larsen. The donuts and pizza were a great hit! Next Saturday School is scheduled for April 13<sup>th</sup>.

## **Missing Longboard**

A student's longboard skateboard is missing. The skateboard is brand new, blue, has "Roxy" printed on the back in all caps, and has a wavy design. Please return the skateboard to the front office.

# Mustang Tutors

Hello, parents of young Mustangs! We are a group of elite students who have a **GPA of 4.0** or higher at Vasquez High School. The hand-picked Vasquez student tutors can help your children in **any subject in which they struggle**. Please note that our group is not organized by the school but is working cooperatively.

The two main purposes of this organization are to improve our community by helping our young successors become high-achievers and to donate a quarter of the earnings to the Class of 2020 at Vasquez High School in order to have an amazing **PROM** next year. To ensure that we achieve our goals, we hope to reach many young students to tutor. We hope that we will be able to help one another and that this tradition will continue to help young Mustangs even after we leave.

We are looking forward to starting the tutoring sessions as soon as possible. If you're interested or have any questions, please contact **Benjamin Lee at 661-576-9436**. Thank you! :)
