Principal's Message

At High Desert School, we encourage students to excel in all areas of the curriculum. Our school motto, "Choosing to Soar Toward Excellence," reflects the commitment of faculty to help students reach their goals. High Desert School is a safe place where we recognize the importance of physical, social, emotional and intellectual safety.

Our mission is to dedicate ourselves to providing a safe, flexible, positive and nurturing learning environment in which all of our members have the opportunity to experience a sense of belonging and personal growth toward their development of academic excellence. We are continuing our after-school intervention, Stay Gold, to help struggling students to reach grade-level standards in reading and math. As another opportunity to provide additional support for our students, we are also implementing Saturday School, targeting students with attendance and academic concerns.

Our students enjoy the benefits of HDSTV (our daily live news show), ASB and Yearbook. Middle school students select from electives that provide experiences in a variety of science, technology, engineering, arts, and math—called STEAM for short—classes. Electives include video production, visual and performing arts, electronic game design, computer coding and applications, robotics, environmental science, service learning and ASB and Yearbook. We also offer after-school enrichment, which includes performing art programs Hand Bells and Dancing Feet, Science Olympiad, we will continue with the middle school athletic league which offers volleyball, cross country, soccer, basketball, and track and field.

Our parent-participation programs afford parents the opportunity to assist our school in promoting academic achievement for all students. We encourage parents to participate through our School Site Council, Parent Booster Club, volunteering in classrooms, Parents of English Learner Advisory Committee, or one of the many other volunteer opportunities at High Desert School.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

School Mission Statement

Empowering Today's Learner to Thrive in Tomorrow's World!

School Motto

Choosing to Soar Toward Excellence

Parental Involvement

Strong parent and community involvement is one of the greatest strengths of High Desert School. Parents' participation in their children's educational progress is encouraged through the following activities and information:

- Back-to-school night in September
- Parent information by grade level; September-October
- Community open house in June
- Monthly scholar awards
- Online grading system
- Online homework website
- Weekly parent newsletters
- Student Study Team (SST) meetings
- Principal's phone call and email to parents
- School Site Council (SSC)
- Booster Club participation
- Open-door policy for principal
- All school family-activity events
- Parent-teacher conferences
- After-school enrichment opportunities
- Board of Trustees meetings
- English Learner Advisory Committee (ELAC) participation

Meetings of the SSC and Booster Club are listed on the school marquee, on our school's website, in the principal's phone call and email to parents, and in District English Learner Advisory Committee (DELAC) meetings. All of our parents are highly encouraged to attend and participate. Community members are actively involved in our school. Donations of services and gifts provide special and extra benefits for our students. Our students have several opportunities during the year to support community activities.

For more information on how to become involved at the school, please contact Kayla Hetzel, Booster Club membership chairperson, at (661) 269-0310.

District Vision Statement

The Acton-Agua Dulce Unified School District is committed to pursuing and maintaining educational excellence in order to achieve academic distinction at all campuses. We are committed to a vision of developing our youth into productive and creative individuals who can achieve their highest degree of potential and who will responsibly shape the future.

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2018-19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 5-8.

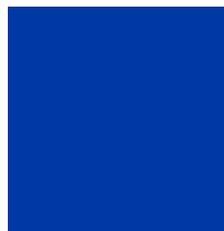

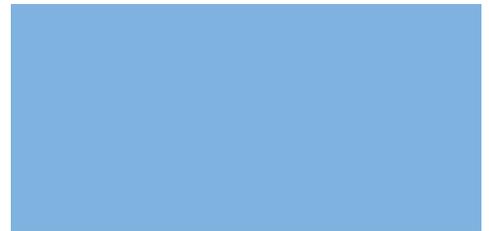

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Textbooks and Instructional Materials

High-quality textbooks and Common Core State Standards bridge materials are available for every student in each subject area to use in class and to take home. The teachers at High Desert School agreed to adopt all the Common Core State Standards plus additional skills that they feel would enhance their instructional program for their students.

When a new textbook series is selected, a committee made up of teachers, parents and principals carefully review state-adopted textbook programs. The committee then recommends to the board of trustees the series it identifies as the highest quality and most appropriate for the district's students.

External	Due to the recent snow, the roof needed minor repairs. Repairs done.	12/27/2019

School Safety

The safety of the students is a priority at High Desert School and is ensured through a well-organized program for campus supervision before school, at nutritional break, during lunch and after school. Parents and guardians are welcome to visit campus. Visitors are required to sign in at the school office. Visitors must wear an official badge when they come on campus. Visitors who are not wearing such a badge are directed to check in at the school office immediately. Students are directed not to converse with visitors who are not wearing a badge. Supervision personnel carry handheld radios for fast communication with the school office in emergencies. Teachers also maintain schoolwide procedures within their classrooms, which limit the opportunities for inappropriate and unsafe behavior.

The school has a comprehensive emergency plan, which is outlined in the school’s Disaster Preparedness Handbook. Emergency drills are held four times a year, and students practice a school bus evacuation each year. Each classroom has an emergency backpack, which contains emergency supplies. Emergency equipment is stored in several locations on campus. Staff practice search-and-rescue techniques as part of the annual Great California ShakeOut emergency drill. The school safety plan was last updated in the fall, and will be reviewed and discussed with staff in February 2020.

School Facilities

High Desert School opened in June 1991 and was designed to house 700 students with 16 permanent classrooms, five portable classrooms, a library, multipurpose room and administration building.

Teachers maintain schoolwide procedures in classrooms, which minimizes the opportunities for inappropriate and unsafe behavior. These procedures deliberately promote positive character values. With the schoolwide campus citizenship program, we see high attendance rates and low suspension rates. The staff, students and community take pride in keeping High Desert School a safe, clean and peaceful campus.

Today, the current population of approximately 365 grade 5-8 students is housed in 16 permanent classrooms with full science and computer labs available for use.

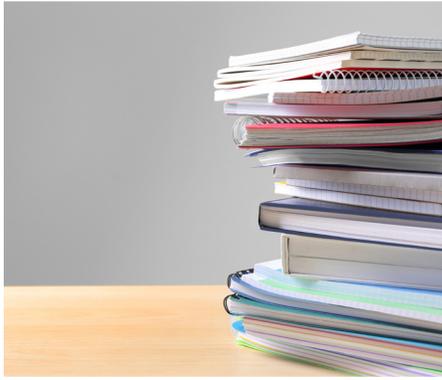

The modern library is open to students and classes. Students are provided with enhanced opportunities for physical education classes and lunchtime activities. Hard courts and an athletic field provide for varied activities and facilities use.

We have continued to improve the technology infrastructure with the addition of a computer in every classroom with internet capabilities. The school environment is conducive to learning.

Teachers and staff members have large work areas in hallways between classrooms, as well as a staff lounge where a copy machine and other school supplies are available to use. Both student and staff restrooms are cleaned, mopped and restocked on a daily basis. Presently, one custodian works from afternoon to night. There is also one maintenance staff person who works from morning to evening. Both ensure the campus is clean and all systems are working to create a safe and operational environment for work and learning. Work orders for maintenance and repair keep school facilities in good, safe working order. Classroom heating and cooling and lighting are maintained on a regular basis.

Students are held accountable for their learning at High Desert School. This includes learning to keep their campus free of litter by picking up after themselves. These ongoing efforts are a part of everyone’s responsibility and cooperation in order to maintain a safe, clean campus and learning environment at High Desert School.

Students are kept safe several ways while on school property. First, all doors are kept locked except the front entrance, which is constantly monitored by staff and a security camera. Next, both custodial, maintenance and staff are in constant alert as to strangers or unusual situations.

Professional Development

Each year, the district provides "buyback days" for districtwide staff-development activities. In recent years, professional development has been provided in the following areas.

- Special-education requirements and instructional strategies
- Strategies for meeting the needs of English learners
- Strengthening students' written language skills
- Effective communication with parents, colleagues and students
- Using data analysis to strengthen instruction

School Improvement funds and Title II, Part A federal funds are used to bring in staff-development consultants and to send teachers out to conferences to improve areas of identified need. Teachers and administrators help select and evaluate professional-development activities based on school and district improvement needs. Faculty meeting time and grade-level/department meetings are also used throughout the school year for collegial data analysis, improvement activities, instructional planning and sharing instructional strategies.

Types of Services Funded

The district provides a number of supplemental programs and services to meet the diverse needs of all students:

- Special-education services including speech and language, a resource program, special day class, adaptive physical education, and other services for identified students with special needs
- English language development for English learners
- Title I reading and writing intensive instruction for identified students in grades 1-5
- Safe and Drug-Free Schools and Communities: State Grants

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2017-18 Fiscal Year	
Total expenditures per pupil	\$5,007
Expenditures per pupil from restricted sources	\$71
Expenditures per pupil from unrestricted sources	\$4,937
Annual average teacher salary	\$75,135

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.
