## A. To qualify for CSF membership, follow these guidelines (students may apply for membership as of sophomore year):

1. You must earn a minimum of 10 points from last semester's grades.
a. The first 4 points must be from LIST I (unless you are a senior applying for membership in February or June).
b. The first 7 points (including the four points described in a. above) must be from LISTS I and II.
c. The remaining points may come from any list (I, II or III).
2. You must use no more than 5 courses to qualify.
3. No CSF points are given for physical education, courses taken in lieu of physical education, subjects repeated to improve a grade, courses involving clerking and office/teaching assisting, and courses taken on a pass/fail basis.
4. CSF points are granted as follows:

- $\mathrm{A}=3$ CSF points
- $\mathrm{B}=1 \mathrm{CSF}$ point
- $\mathrm{C}=0$ CSF points
- D or F in any course (even in a course that you cannot use to qualify) disqualifies you from membership at this time. One additional point shall be granted for a grade of A or B in an AP, IB, or Honors course, up to a maximum of two such points per semester.
NOTE: More points are given for courses taken under the auspices of a college. Check with your adviser for the exact numbers.

## B. Also remember:

1. Semester membership is based on work done in the previous semester. (Under very limited circumstances summer school may also be used; you should check with your adviser before listing any summer school work.)
2. You must reapply each semester.
