The District retains the right to extend the regular workday or workweek when it is deemed necessary to carry out the District's business. The district agrees to notify CSEA prior to filling a position for a workweek other than Monday-Friday.

Each employee shall be assigned a fixed, regular and ascertainable minimum number of hours.

An employee who works overtime shall be compensated at the rate of time and one-half of the employee's hourly pay rate for hours worked in excess of eight hours in a workday or 40 hours in a workweek. An employee who does not work due to a holiday, sick leave, vacation, compensatory time or other paid leave of absence shall have the time off credited as hours worked for the purpose of computing overtime eligibility.

When an employee who is called back to work exceeds two hours in the completion of work assignment and travel time combined, the employee will be paid for the travel time.
- 4.7 Standby Time. All standby time shall be considered as regular hours worked and shall be compensated on a straight time or overtime basis as are other hours worked under this agreement, eating and sleeping time to be excluded.

- 4.8 Increase in Hours. When additional hours are assigned to a part-time position on a temporary or regular basis, the assignment shall be offered to the employee in the appropriate classification with the greatest classification seniority and current satisfactory job performance. If the senior employee declines the assignment, it shall be offered to the remaining employees in the class in descending order based on seniority and job performance.
- 4.9 Summer School. When a summer school assignment is to be filled by an employee who is not a 12-month employee, the position shall be offered to employees in the classification who are assigned to the duties during the academic year in order of seniority and satisfactory performance. If a new midday route or Kindergarten route is established after the beginning of the school year, it shall be assigned by bidding of employees who are not otherwise assigned to drive during the route time.

- 5.2 Other Duties/"Make-Up Time". A regular or special education bus driver who is not driving an assigned route during paid time may be assigned to other duties, which may or may not be related to the driver's classification. - 5.5 Trip List. A Trip List shall be posted and maintained in the transportation office. To the extent possible, trips shall be posted in advance of the trips. Trips shall be offered to qualified permanent employees who have requested to be on the Trip List by seniority on a rotating basis. If a trip is refused, another trip will not be offered to that driver until the rotation is complete. The Trip List will include additional runs from section 5.4, where no part-time driver was eligible for the run due to the runs causing part-time drivers to be eligible for overtime.
- 5.5.1 A driver must have completed a District-directed orientation/certification course for the particular vehicle utilized on the run. The District will offer training for the required vehicle orientation/certification at least once during the school year.
- 5.5.2 The Trip List shall be updated monthly to show the trips scheduled, vehicles assigned, the hours charged and driver assigned. A driver's name will be removed from the Trip List on written request.

- 5.6.1 A driver who wishes substitute driving must request to be placed on the substitute rotation list.
- 5.6.2 A substitute assignment of 10 days or more shall be offered to qualified part-time drivers on a rotational basis. It is the intention of this paragraph that non-

bargaining unit substitutes are assigned as few long-term driving hours as practicable.

- 5.7 Communications. A designated transportation manager or supervisor with decision-making authority shall be available by radio or telephone for emergency situations.

- 7.2 Eligibility. The District shall contribute for benefits (health, dental, life and vision) a dollar amount not to exceed \$11,500.00 for each full time classified employee and eligible dependent or dependents. In the event that the total premium(s) exceed the District contribution, the employee desiring coverage shall be required to complete a payroll deduction form for the difference between the District contribution and the total premium cost. The District's contribution shall be prorated for part-time employees as provided in paragraph 7.3.

- 7.2.1 Employees serving less than full-time or more shall have their District contribution prorated as provided below. The employee desiring coverage shall be required to complete a payroll deduction form for the difference between the District contribution and the total premium cost of the benefits option package selected.

50%-74%	50% of Distribution Contribution

- 7.2.2 A part-time employee who does not receive a prorated District contribution for any of the benefit option packages shall receive reimbursement of up to \$27.00 per month, based upon the number of children covered, if the employee qualifies and is accepted into the State's Healthy Families Program.

- 7.3 District Distribution. The District shall make a total contribution of up to \$11,500.00 toward the payment of benefit premiums for eligible full-time employees.

- 7.3.1 An employee who selects an option package that costs less than the District's contribution shall receive a rebate equal to the difference between the option selected and the District contribution at no expense to the District, i.e., less an employer's statutory deductions.

- 7.3.2 In the event that the premiums for any of the plans in Section 7.1 above exceed the negotiated AADUSD contribution for the benefits that the employee shall pay the excess through a pre-tax payroll deduction.

- 7.4 Leave of Absence. The District shall continue to contribute an employee's premium contribution while on paid leave status in the same manner as if the employee had remained in regular service.
- 7.4.1 Employees on District approved, unpaid leave of absence may elect to continue coverage by making payments as required by the District. The employee insurance coverage, under the District's master insurance contract(s), shall be canceled if a paid or unpaid leave expires and the employee does not return to active duty or if a premium payment is not received in the District Business Office by the first of the preceding month.
- 7.5 Retiree Benefits. An employee who retires into Public Employees' Retirement System ("PERS") from District employment shall be eligible to continue coverage under the District's medical insurance program as follows:
- 7.5.1 In order to qualify for this benefit, the employee must be a permanent, regular classified employee of the District and must be 55 years of age or older at retirement. An employee hired prior to July 1, 2007 must have fifteen (15) years or more of consecutive, full-time service (i.e., 75% or more of the workday) in the District and must retire directly into PERS from District service. An employee hired on or after July 1, 2007 must have twenty (20) years or more of consecutive full-time service (i.e., 75% or more of the workday) in the District and must retire directly into PERS from District service. - 7.5.2 The District will provide up to the dollar amount paid for active employees (i.e., District Contribution) for the listed benefits on behalf of qualified employee and his or her eligible dependents until the employee is eligible for Medicare or reaches age 66, whichever comes first. The dollar amount provided will be equivalent to the amount of the District's contribution for health benefits provided active employees at the time the employee retires.
- 7.5.3 Providing the benefits set forth in 7.5 of this Article is contingent upon the continued agreement of the medical insurance provider to insure retirees and eligible dependents.
- 7.5.4 Contingent upon the continued agreement of the dental and vision insurance providers, an employee may continue dental and vision insurance coverages. In order to receive coverages pursuant to this paragraph, an affected employee is required to make payments to the District on a schedule established by the District.

ARTICLE VIII GRIEVANCE PROCEDURES

- 8.1 A “grievance” shall mean an allegation that there has been a violation, misapplication or misrepresentation of express provision(s) of this Agreement.
- 8.2 A “complaint” shall mean a problem an employee desires to be resolved which is not covered by this Agreement. Complaints shall be filed with the immediate supervisor or chief administrator of the work site.
- 8.3 A “grievant” shall mean an employee who is a member of the bargaining unit, or the Exclusive Representative. The Exclusive Representative may file a grievance on behalf of a specifically identified employee or employees.
- 8.4 A “day” shall mean a day when the District Office is normally open for business.
- 8.5 An employee may elect to be represented by the Exclusive Representative at all levels of the grievance procedure and must inform the District prior to the meeting at which the representative first appears.
- 8.6 An employee may present a grievance to the District and have such grievance adjusted without the intervention of the Exclusive Representative. Any adjustment shall not be inconsistent with the terms of this Agreement. The District shall not agree to resolution of the grievance until the District has notified the Exclusive Representative, provided a copy of the grievance and the proposed resolution and given the Exclusive Representative an opportunity to file a response.
- 8.7 Once a grievance has been initiated, all matters of dispute relating to it, which occur during the processing of the grievance, shall become a part of and be resolved in the grievance proceedings. Once a grievance has been resolved or a final decision has been rendered, the grievant shall not be entitled to initiate a new grievance on any matter of occurrence, which properly could have been included in the first grievance.
- 8.8 Time limits may be extended or shortened by written mutual agreement of the grievant or representative and the District. Except where time limits have been extended or shortened pursuant to this paragraph, failure of the grievant or the Exclusive Representative on the grievant behalf to adhere to the time limits of level One, Two or Three shall constitute waiver of the grievance and acceptance of the District’s action or decision at the appropriate level. If a grievance is filed after May 15 and before the end of the work year, the grievant may request that the time lines not toll during the summer recess. The District agrees to honor the request.

- 8.9 The grievant and a designated bargaining unit representative, if any, participating in the processing of the grievance shall suffer no loss in pay if meetings or appointments are mutually scheduled by the District and the Exclusive Representative. Witnesses who are called to testify in an arbitration hearing shall be on release time for the part of the school day for which they are absent for the purpose of testifying at the hearing.
- 8.10 No reprisal will be taken by the District against any participant in the grievance procedure by virtue of such participation. All written materials pertinent to a grievance shall be filed separately from the personnel file of the grievant or of any participant.
- 8.11 Until final disposition of the grievance takes place, the grievant shall conform to the original direction of the District. If a grievance arises at a level above the grievant's school principal or supervisor, the initial filing, which shall comply with the provisions of Level One, shall be made at Level Two.
- 8.12 Prior to filing a written grievance form at Level One, the employee should attempt to resolve the matter through an informal conference with the immediate supervisor. The employee may utilize the services of a representative at the informal conference.
- 8.13 Level One. Within 15 days of the alleged violation or within 15 days of the time that the grievant reasonably should have known of the alleged violation, the grievant or the grievant's representative shall file a grievance form with the principal or immediate supervisor.
- 8.13.1 The grievance shall contain the following: the employee's name, the date of filing, the date of the alleged violation, the specific Article(s) or section(s) of the Agreement, which are claimed to have been violated, a brief description of the alleged violation and the specific relief requested.
- 8.13.2 Within 10 days of receipt of the grievance by the principal or immediate supervisor, a written decision should be issued to the grievant. If a written decision is not issued within the specified time limit, the grievance is denied and the employee may appear to the next level.
- 8.14 Level Two. If the grievance is denied at Level One, the grievant may file a written appeal to the Superintendent or designee within 10 days of the Level One denial. The appeal shall contain all materials filed in Level One and the decision, if any, and a specific and concise statement of the reason for the appeal.
- 8.14.1 A meeting between the Superintendent or designee and the grievant shall be held within 10 days of the filing of the appeal. The Superintendent or designee shall transmit to the grievant within 10 days of the meeting a written decision, including the reasons for the decision.

- 8.14.2 If the Superintendent or designee does not transmit a written decision within the time limit, the grievance shall be deemed to be denied.
- 8.15 Level Three. If the grievance is denied at Level Two, the grievant may file written notice to the Superintendent or designee within 10 days of Level Two denial of the intent to seek conciliation by the California State Mediation and Conciliation Service (SMCS).
- 8.15.1 The conciliation session shall be scheduled at the mutual convenience of the parties and the conciliator.
- 8.15.2 The conciliator shall not issue any public statements of fact or opinion on the issue.
- 8.15.3 Conciliation or settlement positions of either party shall not be introduced at any other grievance level.
- 8.16 Level Four. If the grievance is not resolved at Level Three Mediation, the Exclusive Representative may demand arbitration within 10 days of mediation concluding. If the grievant is satisfied with the mediated resolution decision, the Exclusive Representative is barred from instituting the arbitration procedure.
- 8.16.1 The arbitrator shall be selected by mutual agreement within ten (10) business days. If the parties cannot reach agreement, the parties will mutually agree to a mediator from a list provided by State Mediation and Conciliation Service.
- 8.16.2 If any question arises as to the arbitrability of the grievance or if the District claims that a grievance should be dismissed because, for example, it falls outside the scope of the procedure, it was filed or processed in an untimely manner, or the dispute has become moot, such question shall be heard and ruled upon by the arbitrator prior to any hearing on the merits of the grievance.
- 8.16.3 If the District should choose to refuse to arbitrate a dispute, nothing in this section shall preclude the Association from seeking, through appropriate administrative or judicial proceedings, to compel the district to proceed to arbitrate. Processing and discussing the merits of an asserted grievance shall not constitute a waiver by the District of a defense that the dispute is not grievable or is not timely filed.
- 8.16.4 The parties shall share the per diem and expense costs of the arbitrator. Each party shall bear all other costs of its own case.
- 8.16.5 The arbitration shall be limited solely to the interpretation and application of this Agreement, to the precise issue(s) submitted in the original filing and any procedural objections made by the respondent. The arbitrator shall be bound by the provisions of Code of Civil Procedure Sections 1280, et seq.

- 8.16.6 The arbitrator shall have no power or authority to hear cases challenging the District's promulgation of rules or procedures for the implementation of this Agreement, the discipline or termination of a permanent employee, or the failure to reemploy or reassign any employee to a position for which the employee is compensated over and above regular placement on the salary schedule.
- 8.16.7 The arbitrator shall submit a written decision, including findings of fact, reasoning and conclusions on the precise issue(s) submitted. The arbitrator's decision shall be limited as follows:
- 8.16.7.1 Where the District has made a judgment involving the exercise of discretion, the arbitrator shall review such judgment solely to determine whether it violated the express terms of the Agreement. The arbitrator's judgment shall not be substituted for the judgment of the District.
 - 8.16.7.2 The arbitrator shall not add to, subtract from, amend, modify or alter any provisions or procedures contained in this Agreement.
 - 8.16.7.3 The arbitrator shall not issue statements of opinion or conclusions that are not essential to the determination of the issue(s) submitted.
- 8.16.8 The arbitrator's decision may include restitution, financial reimbursement, or other proper remedy except fines or penalties. The arbitrator shall have no power to grant a financial or remunerative award where no loss of money or wages has been proved or to grant an award of restitution or reimbursement that is greater than the amount of money lost by the alleged improper application of this Agreement.
- 8.16.9 The arbitrator's decision shall be binding on both parties and shall be submitted to the Exclusive Representative and to the District for review and implementation.

An employee shall be credited with 1.25 vacation days per month at the conclusion of five full contracted years of service and 1.42 vacation days per month at the conclusion of 10 full contracted years of service.

11.8.2 The employees eligible for paid vacation shall be allowed to absent themselves from services as directed and authorized by the immediate supervisor. In no event shall employees commence vacation without the written approval and authorization of the immediate supervisor. Employees shall not be eligible to take vacation until after the completion of six months' service.

11.8.3 If a paid holiday falls at a time an employee is on vacation, the employee shall be compensated for that day as a holiday rather than a day of vacation.

11.8.4 An employee shall utilize annual vacation within six months of the fiscal year in which the vacation was earned. For the efficiency of the District operation, an employee may be required to accept monetary compensation in lieu of vacation time.

11.9 Family Care and Medical Leave Act. As set forth in federal and state statutes, family care and medical leave is available to an employee with 12 months of paid service with the District during the previous 12 months. Except as set forth in paragraphs 11.9.3, 11.9.4.2 and 11.9.7, the leave is an unpaid leave of absence. This leave does not constitute a break in service and the employee remains in regular employee status with the District.

11.9.1 An employee may request leave for up to 12 workweeks during a fiscal year for:

- 11.9.1.1 The birth of a child of the employee, or the replacement with the employee of a child in connection with adoption or foster care;
- 11.9.1.2 The care of the employee's child, spouse or parent who has a serious health condition; or
- 11.9.1.3 The employee's own serious health condition that makes the employee unable to perform the functions of the position held by the employee, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.

11.9.2 An employee who requests leave to care for a child, a spouse or a parent who has a serious health condition shall be required to submit a certificate from the health care provider. The certificate shall verify the date on which the serious health condition commenced and the probable duration of the condition, and shall estimate the amount of time that the health care provider believes the employee needs to care for the individual requiring the care. The certificate also shall contain a statement that the affected individual's condition warrants the participation of a family member to provide care.

- 11.9.2.1 When it is medically necessary, the leave may be taken intermittently, but in no case in increments of less than 2 work weeks, unless the health care provider certifies that the leave must be taken in one-week increments.
- 11.9.2.2 If additional leave time is needed after the time estimated by the health care provider expires, the employee is required to provide recertification in the same manner specified above.
- 11.9.2.3 When the leave is for "child rearing" connected with the birth, adoption or placement of a child in foster care and both parents of the child are employed by the District, the cumulative period of leave shall be no greater than 12 workweeks.

11.9.3 Notwithstanding any other provision of this Agreement to the contrary, an employee is required to use any available accrued vacation or compensatory time off for the purposes set forth in paragraph 11.9.2 inclusive. If the employee has exhausted all available vacation or compensatory time off, the employee shall be required to use available accrued sick leave benefits.

11.9.4 An employee who requests leave for the employee's own serious health condition shall be required to submit a certificate from the health care provider. The

certificate shall verify the date on which the serious health condition commenced and the probable duration of the condition, and shall contain a statement that the employee is or will be unable to perform the functions of the employee's position due to the serious health condition.

11.9.4.1 If additional leave time is needed after the time estimated by the health care provider expires, the employee is required to provide recertification in the same manner specified above.

11.9.4.2 The employee is required to use any available accrued sick leave for the purpose set forth in paragraph 10.9.4, inclusive. If the employee has exhausted all available accrued sick leave benefits, the employee shall be required to use accrued vacation or compensatory time off.

11.9.5 As a condition of the employee's return to work, the employee shall provide acceptable medical certification of the ability to resume the duties and responsibilities of the employee's position.

11.9.6 If an employee's need for family care and medical leave is foreseeable, reasonable advance notice shall be given. Where the need for family care and medical leave is known more than 30 days before the leave is to begin, the employee shall provide written notice to the District at least 30 days prior to the commencement of the leave.

11.9.6.1 Where the need for leave becomes known less than 30 days before the leave is to begin, the employee shall give written notice at least five days prior to the commencement of the leave, if possible. In such a case, the District will notify the employee of the commencement date of the leave.

11.9.6.2 When leave is needed for a planned medical treatment or supervision, the employee is required to make a reasonable effort to schedule the treatment or supervision to avoid disruption of District operations. This scheduling requirement shall be subject to approval of the health care provider.

11.9.7 An employee who is granted leave shall continue to be eligible for health insurance for 12 workweeks during a fiscal year at the level and under the conditions that coverage would have been provided if the employee had continued in active employment.

11.9.7.1 The District is entitled to recover its contribution to the employee's health coverage if the employee fails to return from leave for

reasons other than the continuation, recurrence or onset of a serious health condition that otherwise entitles the employee to take family care and medical leave or for other circumstances beyond the employee's control.

11.9.8 At the conclusion of the family care and medical leave, the employee shall be returned to the same classification held by the employee prior to the commencement of the leave.

11.9.9 For the purpose of the paragraph 11.9:

11.9.9.1 "Child" means a biological, adopted or foster child, a stepchild, a legal ward or a child of a person standing in loco parentis as long as the child is under 18 years of age or an adult dependent child.

11.9.9.2 "Parent" means a biological, foster or adoptive parent, a stepparent or a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child.

11.9.9.3 "Serious health condition" means an illness, injury, impaired or physical or mental condition that involves either inpatient care in a hospital, hospice, residential health care facility or continuing treatment or supervision by a health care provider as defined by applicable law.

11.10 Catastrophic Leave. For the purposes of this article, 'Catastrophic illness' or 'injury' means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's family which incapacity requires the employee to take time off from work for an extended period of time to care for the family member and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off.

11.10.1 The affected employee shall fill out an application form for catastrophic leave and shall attach a written statement and verification from a licensed physician or practitioner indicating the nature and extent of the illness or injury, the projected date of the employee's return to work and a statement that the employee is medically unable to work due to the illness or injury.

11.10.1.1 Where the application is based on the catastrophic illness or injury of a member of the employee's immediate family, all required medical information, statements and verifications shall be related to the affected family member. In addition, the employee shall attach a written statement indicating the circumstances that require the employee's absence from work.

11.10.2 An affected employee's pay pursuant to this provision shall consist of the of sick leave credit, vacation or extra duty credits that are donated to the employee by other employees.

11.10.2.1 Donations of sick leave/vacation credit shall be made in blocks that are equivalent to 10 days following the donation.

Code section 44043.5 (d)(3), the transfer of eligible leave credits is irrevocable. An employee who donates sick leave credits shall be required to have a sick leave balance equivalent to 10 days following the donation.

ARTICLE XII EVALUATION PROCEDURE

12.1 Probationary Employee Evaluations. The probation period shall be six months or 130 days of paid service, whichever is longer. An evaluation shall be done prior to the expiration of the probationary period. A permanent unit member who is promoted shall be classed as a permanent employee in the promotional position following the completion of a five (5) month period of paid service. In the event a unit member fails to complete the probationary period in the promotional position as a result of not meeting District standards in one or more representative duties on the applicable evaluation form, that unit member shall be reemployed as a permanent employee in his/her last former classification.

12.1.1 The rating forms shall be completed and signed by the employee's immediate supervisor prior to an evaluation conference between the employee and the supervisor. The formal rating shall contain information bearing on employee performance related to the evaluation criteria established by the District. The data gathered relative to employee appraisal shall be in conformity with the evaluatee's job description as prescribed by the District.

12.1.2 The rating shall contain an appraisal of the employee's performance and as appropriate, commendations or specific suggestions for the improvement of the evaluatee's performance.

12.1.3 The evaluatee shall receive a written copy of the performance forms at a personal conference conducted by the evaluator. The evaluatee may attach a written response to the performance evaluation. Such written response by the employee shall be reviewed by the Superintendent prior to placement in the evaluatee's file.

Normally these ratings shall be completed by the end of each year's service. A permanent employee may be evaluated by his/her immediate supervisor at any other time if exemplary or unsatisfactory service is performed, but shall be evaluated by the immediate supervisor within a reasonable length of time after unsatisfactory service is performed.

13.1 Discipline shall be imposed upon bargaining unit employees only pursuant to the terms of this Article. The Superintendent or designee shall investigate the matter and shall hold an informal meeting with the employee or, if requested by the employee, with the employee and a representative within fifteen (15) days after the matter has been brought to the attention of the Superintendent.

13.2.1 The employee shall be informed of the right to be accompanied to the meeting by a representative; the employee shall sign a statement to that effect.

13.2.2 As a part of the investigation, the employee shall be notified in writing of the allegations and shall be given an opportunity to respond and to comment on the appropriate disposition.

The notice shall contain a statement in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based, a statement of the cause for the action, and if it is claimed that an employee has violated a rule or regulation of the public school employer, such rule or regulation shall be set forth in the notice.

13.3.4 The notice shall inform the employee of the right to demand a hearing before the Board of Trustees and the time in which the hearing must be demanded, this shall not be less than five days after service of the notice.

13.3.5 The notice shall also contain a form, the signing and filing of which shall constitute a demand for hearing and denial of all charges. Failure to file the demand for a hearing as set forth in the notice shall constitute a waiver of the right to an appeal and the discipline shall be final.

13.4 Appeal of Disciplinary Action. If the employee files the demand and denial, the following shall apply:

13.4.1 The Board of Trustees shall hear the appeal, unless in its discretion, chooses to have the hearing before a hearing officer.

In such a case, the suspension and any denial of compensation shall be an issue in the appeal hearing before the Board, if one is requested by the employee.
- 13.6 All information and proceedings regarding any of the above actions or proposed actions, shall be kept as confidential as possible by all parties to the proceeding. The notification to the employee and the employee's representative as set forth in paragraphs 13.3.1 and 13.3.2 shall not be considered a violation of the terms of this paragraph.
- 13.7 Nothing contained with this procedure shall be interpreted to deny and employee the right to seek judicial review of a disciplinary action following the completion of the procedures contained in this Article.

ARTICLE XIV EMPLOYEE EXPENSES AND MATERIALS

- 14.1 Repairing or Replacing Employee Property. The District shall reimburse an employee for each incident for any reasonable loss, damage or destruction of registered personal property of the employee, up to \$125.00, while on duty on school property or on a school approved activity if not covered by insurance. The value shall be determined by the employee and the District.
- 14.2 Physical Examinations. The District agrees to provide the full cost of any medical examination required as a condition of employment or continued employment, including but not limited to the provision outlined in Education Code Section 11708 or its successor.

ARTICLE XV LAYOFFS

- 15.1 Layoffs. For the purpose of this article, seniority shall be based on the date of hire. All service in the class plus higher classes in the line of promotion shall count as seniority. Reemployment Rights shall be based on reverse order of layoff as defined in the California Education Code Sections 4510 I (g) and 45308. Additionally, the parties agree to the terms set forth below.
- 15.2 When a bargaining unit member is identified to be laid-off, the District agrees to meet and provide written notification to the affected employee and a CSEA representative or bargaining team member, sixty-days prior to the lay-off. In the event that the District is

unable to meet with the affected employee, the District agrees to send the lay-off notice to the affected employee, via regular US Mail.

- 15.2.1 Unit members laid off for lack of work or lack of funds are eligible for reemployment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants for classification from which unit members were laid off and any other classification in which the minimum qualifications are met.
- 15.2.2 Laid off unit members must submit an application for vacancies for which the unit member meets the minimum qualifications.
- 15.2.3 The District agrees to send, via regular US Mail, to all classified employees who have been laid off identifying any vacant position. Unit members who do not have email access will be responsible for accessing the District website where opening are posted or to contact the District office on a regular basis to learn of any classified vacancies.
- 15.2.4 Unit members notified of vacancies shall have ten (10) calendar days, upon the notices being sent, to inform the District that they are interested in a vacancy and /or to fill out an application for a vacancy outside of the unit member's previous classifications.
- 15.2.5 Unit members who are hired off of the layoff/reemployment list into a position for which they have not previously gained permanence, will be required to serve a nine (9) month probationary period. If the unit member fails to meet the probationary period, the unit member will have the right to return to the reemployment list for the remaining months left on the original 39-month period (e.g., if employee is rehired after being on the 39-month reemployment list for 3 months, but fails to complete the probationary period, the employee would return to the reemployment list and be eligible for rehire for the 36 months). Time spent on the reemployment list will not count as a break in service for purposes of calculating seniority.
- 15.2.6 Unit members who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff, or to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of up to 24 months for a total of 63 months. (Education code section 45298)
- 15.2.7 Unit members who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the option of the unit member, returned to a position in their former class or to positions with increased assigned time as vacancies become available, and without limitation of time, but if there is a valid reemployment list they shall be ranked on that list in accordance with their proper

seniority. (Education Code Section 45298) The Parties agree to the following partnership collaboration: The District agrees to forward to CSEA copies of notices provided to unit members affected by the layoff/reduction in hours and/or displacement rights, as well as a copy of the most current reemployment list.

- 15.3 The District shall not reassign work previously performed by laid off employees, including employees who were reduced in hours, to non-bargaining unit members such as confidential, supervisory, administrative, management, certificated substitute and/or short-term employees as well as volunteers, except as allowed and permitted by law.
- 15.4 Any reassignment of duties caused by the elimination of positions shall first be assigned to unit members working within the same job classification. The District agrees that such reassignment of duties shall not result in an excessive workload for unit members. When work is reassigned as a result of the elimination/reduction of positions, the supervisor or other District designee shall meet with the unit member(s), who will be impacted to discuss the new changes. If a unit member has a concern about the new changes, unit member and, at the option of the unit member, CSEA Representative will meet with the supervisor to address such concern(s). In such a circumstance, the supervisor, or other District designee, shall prioritize the unit member's job duties. The prioritization of such duties is not an admission or a concession by the District that the unit member's workload is excessive. Employees who are laid off and/or working in a reduced hour capacity shall be offered work as a substitute for any classification for which they are qualified, to include classifications other than the class from which they were laid off. These employees shall be offered such substitute assignments prior to any other employees on the substitute list.
