Returned Checks:

Checks that are returned from a bank due to insufficient funds will be forwarded to the accounting department of the District. Accounting staff will contact the parent/guardian for financial settlement. Returned checks are subject to a \$ 12.00 service charge.

If a financial settlement cannot be made, then the parent/guardian, student and bus driver shall be notified that transportation privileges will be denied, beginning the next school day.

Refunds

Written requests for refunds shall be made directly to the Transportation Lead Person. Since the bus fee is not a daily ride fee, a refund based upon unused days for illness, suspension from school, or loss of bus riding privileges because of violations of bus rules, will not be given.

In the event conditions beyond the control of the District temporarily prevent the District from providing the expected transportation services, the District will have no liability for refund of fees.

Bus and Bus Stop Assignments

The Bus Driver will have rider's roster sheets. Students are entitled to ride only on the designated bus to and from a designated stop before and after the regular academic day.

Students needing to exit at a stop other than their own MUST have a note signed by the parent. This note is to be turned into the child's school office when they first arrive at the school so that it can be verified and notification is given to the transportation department.

All decisions regarding assignments to buses and stops will be at the sole discretion of the District.
