

Golden Spotlight:

No Golden Spotlight this evening.

Superintendent report for June 23, 2022:

This evening I would like to cover the exciting end of the year culminating activities for our district.

Student Achievement:

- Harmonic Bronze

On Sunday, June 5th, I had the great privilege in seeing the Harmonic Bronze in person. Their end of the year program for our community was not only exceptional but very well attended. Congratulations to the Harmonic Bronze for their time, energy and dedication over the years. Most importantly thank you to Mr. Larry Rowland for your leadership and tireless efforts. You are truly one of a kind. (VIDEO)

- Senior Walk- After a two-year hiatus and back by popular demand, we were thrilled to be able to coordinate the 2022 Senior Walk on June 8th. Thank you to VHS, High Desert, and Meadowlark. Thank you most importantly to our graduating seniors for inspiring our future Mustangs! (VIDEO)

We congratulate all promoting and graduating students and wish them all well and the very best!

- Summer School is in full swing-
Dates for summer school: June 21-July 19 (of course July 4 Holiday- no summer school)

Programs for the summer:

At ML, Preschool-7th ESY (Extended School Year);

At VHS, 8th-11th ESY

Plus, 8th-11th Summer School classes at VHS for grades 8th-11th

Visiting the sites on Tuesday for our opening of summer school was very smooth. Thank you staff for making this happen.

Thank you.

COVID Report:

Covid-19 cases across LA County seem to have stabilized although still quite high. Within the past 2 weeks (5/26-6/8), the Acton and Agua-Dulce surrounding areas, saw 42 new cases.

In our school community, we have had 3 positive cases reported to us since 6/8/2022 and the Department of Public Health has released High Desert from its Outbreak status as of 6/17/2022.

Students and staff are no longer required to wear a mask when indoors.

We have officially moved over to Primary Health and are no longer taking tests through the Color Laboratories.

All students and staff who need to be tested must register on the Primary Health platform. We will continue to test employees and students throughout summer school on Mondays only.

Home kits are available at the District Offices from 8:00 AM TO 4:30 PM Monday through Friday.

Thank you, this concludes the COVID report.
