## UNIFIED SCHOOL DISTRICT

*"Empowering Minds, Building Futures: Our Small District,  
Infinite Possibilities"*

July 29, 2024

Dear Parents/Guardians:

The California Department of Education (CDE) has changed the way it funds public education. The funding system is called the Local Control Funding Formula (LCFF). A Local Control Accountability Plan (LCAP) is developed using the LCFF funds based on the needs of students and families in our schools. Additional funding is allocated to districts that have students that meet the criteria of being an English learner, Foster Youth, and/or Socio-Economically Disadvantaged. To receive these additional funds our district must be able to identify if your child meets one or more of the above criteria. These funds will be used to provide additional support to our schools for things such as promoting safer schools, offering students increased opportunities to be college and career ready, as well as increased parent training opportunities.

This form is very important to your child's school receiving the appropriate funding based on the information you provide. **Every family is required to have the Alternative Income Form completed per household.**

If you need any assistance filling out the form, feel free to call your child's school.

So we need your help! Please complete the [Alternative Income Form](#) by clicking on the [link](#). If you need any assistance filling out the form, please call 661-233-2548.

Families that qualifies may receive incentives such as:

- Electronic Benefits Transfer (EBT) card for every student that attends school
- Discounts on cellular phones and Internet Connection at home
- CalFresh program
- Household utility bill discounts
- Student Advanced Placement (AP) testing fee waivers
- College application waivers
- CalKIDS – \$500 savings account for college
