Dear Acton Agua Dulce USD Family,

Having proudly served as a K-12 educator for the past 28 years and most recently in the capacity of an Assistant Superintendent, I deeply believe in a quality and comprehensive education for all students.

As a former teacher, guidance counselor, elementary and high school principal, I'm committed to preparing students with the habits and skills necessary to pursue their goals and dreams.

AADUSD is known not only for its academic excellence but also for the positive and healthy relationships between staff, students, and community. My goal as your Superintendent is to maintain and enhance AADUSD's rigorous teaching and learning environment that provides all students with a sense of belonging while supporting students to grow intellectually, emotionally and socially.

I am most honored and excited to herald the role of your new superintendent by bringing my passion for teaching and learning, collaboration, and resolve to AADUSD. In order to do this effectively, it's very important for me to take the appropriate time to listen and learn about AADUSD's exceptional history and culture.

I would like to introduce the **"Listen and Learn Together"** tour to encompass the next 100 days with a focus on three priorities:

- Student Achievement
- Community Engagement
- Student Connectedness

I am committed to visiting with all schools and departments in our district. This provides me the opportunity to meet and engage with our wonderful staff, students, teachers, and parents I am so privileged to serve.

The information and insight acquired through this tour is an invaluable tool in meeting our district's goals as part of continuous improvement. I respectfully seek your input and kindly request your participation with the "**Listen and Learn Together**" tour. Our work together will only further the great accomplishments of AADUSD and continue to strengthen the vision of our district:

We, in AADUSD, represent integrity, equity, perseverance, collaboration, and innovation. As we reach our goals together, I sincerely look forward to a safe and productive new school year.

I look forward to a meet and greet opportunity with AADUSD students, parents, staff, and community members in the very near future. More information to follow.

At your service,
