

Project 2 Inspire

Project 2 Inspire provides parents the tools they need to work together as partners to improve schools and support the education of their children.

The program will be virtual and consists of twelve modules.

Module 1: Empowering our Community through Multilingualism and Multi culturalism

Module 2: Parent Engagement: Supporting the Student to Achieve Academic Success

Module 3: Building Bridges: Equity in Communication Between Family, School, and Community

Module 4: Creating Informative Multicultural Knowledge Networks Through Technology

Module 5: Inclusive and Culturally Responsive Education at an Early Age and Social Emotional Support in Adolescence

Module 6: Seeking Success and Opportunities During and Beyond High School

Module 7: The Public Education System of California and the United States

Module 8: The California English Learner Roadmap and Bilingual Programs for English Learners and all Students

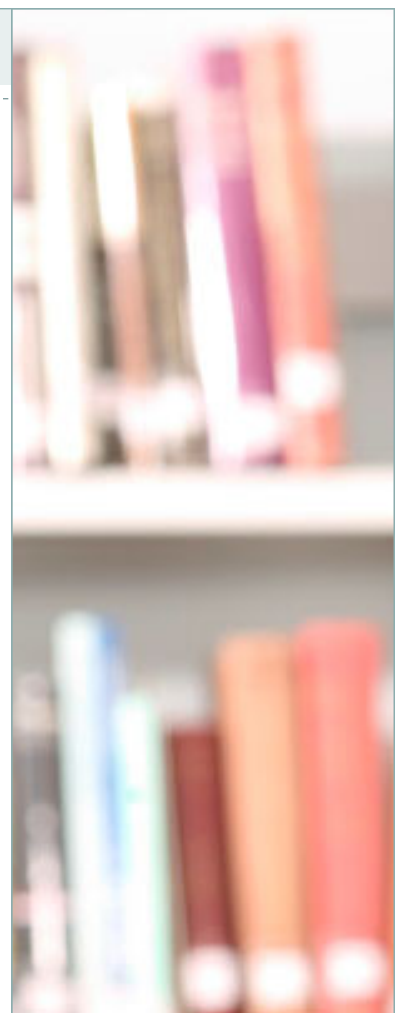

Module 9: Academic Programs: Options and Opportunities

Module 10: Supporting your Student in Common Core State Standards and Assessments

Module 11: Family Engagement in School Committees

Module 12: Setting Personal and Academic Goals

Please join us for this virtual learning opportunity. You have the option to join virtually from home or you can come to the District Office and participate virtually from the Board Room.
