

In partnership with the Acton-Agua Dulce Library,
AADUSD invites all students to join us for a...

Color-as-You-Go
SUMMER READING CHALLENGE
June 10th to July 9th, 2019

Studies show that children that feel that reading is fun tend to read more often, so summer programs that help make reading enjoyable and social are most successful. Reading just 4 to 6 books over the summer has the potential to prevent a decline in reading achievement scores from the spring to the fall, so even small steps are very beneficial. Preventing summer slide is most effective when community organizations – including schools, libraries, and parent groups – work together to encourage kids to read, make reading fun, and to reach families about the importance of reading over the summer.

Participation Details:

- Return the bottom of this form to your school office.
- Reading level will be sent home on June 6, 2019 and a teacher will contact the parent to open communication about the books your child is reading.
- Students find an AR book and begin reading anytime and anywhere with the goal of reading at least two books this summer.
- Stop in the district office to take an AR test anytime between 8am and 12pm from June 10th and July 9th.

Benefits of Participation:

- **Increase reading level** and love for reading.
- Students who complete the challenge will be **recognized at an awards assembly** in the fall.
- **Connection with a teacher** to encourage and motivate kids to read.
- Support the library and **make reading fun**.
- **Additional Prizes** for completing challenges

"There are many little ways to enlarge your child's world. Love of books is the best of all."

- Jacqueline Kennedy Onassis

"One benefit of summer was that each day we had more light to read by."

- Jeanette Walls

"You can find magic wherever you look. Sit back and relax, all you need is a book."

- Dr. Seuss

"A book is a dream that you hold in your hand."

- Neil Gaiman

"Read to Succeed."
