Principal's Message

At High Desert School, we encourage students to excel in all areas of the curriculum. Our school motto, "Choosing to Soar Toward Excellence," reflects the commitment of faculty to help students reach their goals. High Desert School is a safe place where we recognize the importance of physical, social, emotional and intellectual safety. Our mission is to dedicate ourselves to providing a safe, flexible, positive and nurturing learning environment in which all of our members have the opportunity to experience a sense of belonging and personal growth toward their development of academic excellence. Post-Pandemic, we plan to revive our after-school intervention, Stay Gold, to help struggling students to reach grade-level standards in reading and math.

Our students enjoy the benefits of HDSTV (our daily live news show), Associated Student Body (ASB) and Yearbook. Middle school students select from electives that provide experiences in a variety of science, technology, engineering, arts, and math—called STEAM for short—classes. Electives include video production, Google Apps, Creative Writings, robotics, Intro to Economics, ASB and Yearbook. Post-Pandemic, we also offer after-school enrichment, which includes performing art programs HandBells and Science Olympiad. We will continue with the middle school athletic league which offers volleyball, cross country, soccer, basketball, and track and field. Our parent-participation programs afford parents the opportunity to assist our school in promoting academic achievement for all students. We encourage parents to participate through our School Site Council, Parent Booster Club, volunteering in classrooms, Parents of English Learner Advisory Committee, or one of the many other volunteer opportunities at High Desert School.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

School Mission Statement

Empowering Today's Learner to Thrive in Tomorrow's World!

School Motto

Choosing to Soar Toward Excellence

Parental Involvement

Strong parent and community involvement is one of the greatest strengths of High Desert School. Parents' participation in their children's educational progress is encouraged through the following activities and information:

- Back-to-school night in September
- Parent information by grade level; September-October
- Community open house in June
- Monthly scholar awards
- Online grading system
- Online homework website
- Weekly parent newsletters
- Student Study Team (SST) meetings
- Principal's phone call and email to parents
- School Site Council (SSC)
- Booster Club participation
- Open-door policy for principal
- All school family-activity events
- Parent-teacher conferences
- After-school enrichment opportunities
- Board of Trustees meetings
- English Learner Advisory Committee (ELAC) participation

Meetings of the SSC and Booster Club are listed on the school marquee, on our school's website, in the principal's phone call and email to parents, and in District English Learner Advisory Committee (DELAC) meetings. All of our parents are highly encouraged to attend and participate. Community members are actively involved in our school. Donations of services and gifts provide special and extra benefits for our students. Our students have several opportunities during the year to support community activities.

For more information on how to become involved at the school, please contact Kayla Hetzel, Booster Club membership chairperson, at (661) 269-0310.

District Vision Statement

The Acton-Agua Dulce Unified School District is committed to pursuing and maintaining educational excellence in order to achieve academic distinction at all campuses. We are committed to a vision of developing our youth into productive and creative individuals who can achieve their highest degree of potential and who will responsibly shape the future.

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The new California Science Test (CAST) was first administered operationally during the 2018–19 school year. The table below shows the percentage of students meeting or exceeding the state standards.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2019–20 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3–8 and 11 and science in grades 5, 8 and high school. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

High-quality textbooks and Common Core State Standards bridge materials are available for every student in each subject area to use in class and to take home. The teachers at High Desert School agreed to adopt all the Common Core State Standards plus additional skills that they feel would enhance their instructional program for their students.

When a new textbook series is selected, a committee made up of teachers, parents and principals carefully review state-adopted textbook programs. The committee then recommends to the board of trustees the series it identifies as the highest quality and most appropriate for the district's students.

Textbooks and Instructional Materials List		2020-21 School Year
Subject	Textbook	Adopted
Reading/language arts	California Collections, Houghton-Mifflin (6-8)	2017
Mathematics	California Math, McGraw-Hill (6-8)	2014
Science	Holt (6-8)	2006
History/social science	Glencoe (6-8)	2005
Science	Holt (6-8)	2006

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2020-21 School Year
Criteria	Yes/No	
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes	
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes	
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes	

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Safety

The safety of the students is a priority at High Desert School and is ensured through a well-organized program for campus supervision before school, at nutritional break, during lunch and after school. Parents and guardians are welcome to visit campus. Visitors are required to sign in at the school office. Visitors must wear an official badge when they come on campus. Visitors who are not wearing such a badge are directed to check in at the school office immediately. Students are directed not to converse with visitors who are not wearing a badge. Supervision personnel carry handheld radios for fast communication with the school office in emergencies. Teachers also maintain schoolwide procedures within their classrooms, which limit the opportunities for inappropriate and unsafe behavior.

The school has a comprehensive emergency plan, which is outlined in the school's Disaster Preparedness Handbook. Emergency drills are held four times a year, and students practice a school bus evacuation each year. Each classroom has an emergency backpack, which contains emergency supplies. Emergency equipment is stored in several locations on campus. Staff practices search-and-rescue techniques as part of the annual Great California Shakeout emergency drill. The school safety plan was last updated in the fall, and will be reviewed and discussed with staff in February 2021.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Date of the most recent completion of the inspection form	12/4/2020

School Facilities

High Desert School opened in June 1991 and was designed to house 700 students with 16 permanent classrooms, five portable classrooms, a library, multipurpose room and administration building.

Teachers maintain schoolwide procedures in classrooms, which minimizes the opportunities for inappropriate and unsafe behavior. These procedures deliberately promote positive character values. With the schoolwide campus citizenship program, we see high attendance rates and low suspension rates. The staff, students and community take pride in keeping High Desert School a safe, clean and peaceful campus.

Today, the current population of approximately 365 grade 5-8 students is housed in 16 permanent classrooms with full science and computer labs available for use.

The modern library is open to students and classes. Students are provided with enhanced opportunities for physical education classes and lunchtime activities. Hard courts and an athletic field provide for varied activities and facilities use.

We have continued to improve the technology infrastructure with the addition of a computer in every classroom with internet capabilities. The school environment is conducive to learning.

Teachers and staff members have large work areas in hallways between classrooms, as well as a staff lounge where a copy machine and other school supplies are available to use. Both student and staff restrooms are cleaned, mopped and restocked on a daily basis. Presently, one custodian works from afternoon to night. There is also one maintenance staff person who works from morning to evening. Both ensure the campus is clean and all systems are working to create a safe and operational environment for work and learning. Work orders for maintenance and repair keep school facilities in good, safe working order. Classroom heating and cooling and lighting are maintained on a regular basis.

Students are held accountable for their learning at High Desert School. This includes learning to keep their campus free of litter by picking up after themselves. These ongoing efforts are a part of everyone's responsibility and cooperation in order to maintain a safe, clean campus and learning environment at High Desert School.

Students are kept safe several ways while on school property. First, all doors are kept locked except the front entrance, which is constantly monitored by staff and a security camera. Next, both custodial, maintenance and staff are in constant alert as to strangers or unusual situations.

Types of Services Funded

The district provides a number of supplemental programs and services to meet the diverse needs of all students:

- Special-education services including speech and language, a resource program, special day class, adaptive physical education, and other services for identified students with special needs
- English language development for English learners
- Title I reading and writing intensive instruction for identified students in grades 1-5
- Safe and Drug-Free Schools and Communities: State Grants

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates. The 2019-20 suspension and expulsion rate data are not comparable to prior year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to prior years. Note: Students are only counted one time, regardless of the number of suspensions.

Financial Data

The financial data displayed in this SARC is from the 2018-19 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison	2018-19 Fiscal Year	
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
High Desert School	\$4,812	\$75,135
AADUSD	\$10,480	\$72,776
California	\$7,750	\$68,990
School and district: percentage difference	-54.1%	+3.2%
School and California: percentage difference	-37.9%	+8.9%

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of December 2020.
