ASMO

See's candy orders are due November 30th. Please make sure they are turned in!

Homework Calendar

Our 7th and 8th grade teachers are posting homework on our HDS website. On our school tab, select *Academics*, then select *Homework*. You will be sent to our Homework page for 7th and 8th grade. We still encourage all students to use their planners; this is another way we're streamlining to help our students and families.
